

Video Game Donation Worksheet

Do you have some old video games you'd like to donate to a good cause?
Would you like a tax write-off?

Mediatech is a not-for-profit 501 (c) 3 Foundation that gladly accepts donations of your used E and T rated video games, and circulates these games available to the community. Making a donation is easy. Please follow these five steps.

STEP 1: Is your donation circulation friendly?

- We only circulate E (Everyone) and T (Teen) rated titles. Please, no M (Mature) or AO (Adults Only) games. If you're not sure of a product's rating, you can look it up at the <http://www.esrb.org>.
- Easy to plug and play. There must be no special registration codes or passwords or specialized hardware needed to make it work.
- No personal information. Make sure all personal information is erased from game cartridges. This is not a problem for disk based titles.

STEP 2: Do you want acknowledgment? Please choose one option:

- I would like my child's name, my family name or an organization name on the packaging (recommended). We will put a "donated by" Please provide your message, here: _____
- I want this donation to be anonymous.

STEP 3: Do you want a tax deduction? We provide a receipt declaring the fair market value of your donation within 15 days of your donation. Please use a service such as gamestop.com or Amazon.com to provide the current fair market price for your used game; otherwise we will assume a \$5 per title value.
